L'Antica Chiusina

Dear Guest of the L'Antica Chiusina Restaurant,

our estate, with a view to being able to offer its guests KM products. We make use of some partners who, like us, in this wonderful land of Tuscany, have always committed themselves daily to the production of high-quality products respecting the traditions and value of the raw materials.

We are proud to collaborate with:

Siena Agricultural Consortium for Chianina PGI meat

Monte San Savino delicatessen for cured meats

Podere Fontecornino for organic fruit juices

Saragiolino Agricultural Brewery for craft beers

Artisan Trinci roasting for coffee

Other travel companions with more seasonal products are indicated directly in the Menus.

If you would like to get to know them more closely, it will be a pleasure for us to put you in contact with them.
